Defying Convention

Our Rebel Series

# Sophistication: Untamed

You want to be a boundary-pusher - a free-thinker who dreams big and leaves behind a legacy others only dream of.

You want to break the mold. You didn't work this hard to tread softly on well-worn paths. You want to tear up the map and fiercely follow your passions.

Let's be the disrupters. Let's be unafraid to make some waves.

This is for those of us who know that fortune favors the bold. Who know that when it comes to forging success, luck has nothing to do with it.

Untame your aesthetic.

Patience may be a virtue, but passion can make you restless. Drift gives you a headstart on getting the rustic, silver finish you'd otherwise have to wait years to achieve. Because you know what? Sometimes virtue is overrated.

In addition to our modified ash and pine, Drift uses expertly-modified spruce to create a stunning product with a 25+ year rot-resistance rating.

Get the look of reclaimed wood without the unknowns, and with the unrivaled stability and rot-resistance of Thermory products.

\*Drift comes in a number of colors. Choose one of our standard colors or leave it natural (unoiled). As the product ages, it will gradually transition to platinum grey, undergoing a truly unique aesthetic evolution.

So go ahead. Unabashedly create the aesthetic you want (without sacrificing beauty or durability). We dare you.

# Driven by innovation.

Thermory harbors a deep desire to create innovative solutions that offer unrivaled efficiency and beauty in wood.

Our Rebel Series brings this desire to life. Drift was released at the international Thermory 20th anniversary event in 2017.

But we're not stopping here. What's next for the Thermory and the Rebel Series? You'll have to wait and see.
